

The Friends were formed in 2018 by The Most Reverend Mark Strange, Bishop of Moray, Ross and Caithness and Primus of the Scottish Episcopal Church

Why be a friend?

The Crask is an historic place of hospitality. Providing shelter and support to travellers since 1815. The Friends exist in order to support the ongoing work at the Crask. It is only through the generosity of the Friends that the Crask will be able to be continually restored and enhanced and provide refreshment of body and soul.

“A haven in the wilderness, a place of refuge and peace”

Benefits of being a Friend
